There was a damaging fire  in the wood-working and wood-drying departments of the Transformatorenwerk Karl Liebknecht, in Berlin-Oberschoeneweide. The cause is still undetermined. The damage is estimated at 80,000 DM. The department has wood and wooden parts used in the manufacture of transformers drying and heating in oil. The fire brigade succeeded in checking and putting out the fire.

1.  Comment. The fire at the Karl Liebknecht plant was previously reported through the same channel, but apparently from a different source.
